4. Title 3 Program: The Title 3 Program began November and will continue until the beginning of May. This program is for ENL students and was by invitation only. It has been very successful.
5. Valentia: The first meeting was already held and was a huge success. Parents are very happy with this program but are in great need of resources. Therefore, PS 28 is working on bringing in outside sources to assist families.

6. Morning Program: We are now beginning to launch our Morning Program at PS 28. This program is by invitation only and it is for academic intervention. The Morning Program will be divided into two cycles. The first cycle will focus on Math and the second cycle will focus on ELA.
7. Winter Wonderland Special Event: On Thursday December 14th, PS 28 will again be holding our special Winter Wonderland event. Old Navy, a few different organizations, and the PS28 staff all helped to put this great event together. All students will receive pajamas along with other special gifts at this wonderful event.
8. Pajama Day: Our annual Pajama day will be held on Friday, December 22nd. On this day, students can wear the pajamas that they received at the Winter Wonderland event.
9. Next School Leadership Team Meeting: Our next School Leadership Team meeting will be held on Thursday, December 14th. This meeting will be IN PERSON and it will be a potluck holiday celebration as well. Maria Russell, our School Leadership Team Chairperson, will be emailing all SLT members asking them what they would like to contribute to the potluck.
